Principal's Message

Jorge Ruiz, Principal

Dear Parents and Legal Guardians,

The Local School Council elections were held on April 18, 2018. The elected members are: Parents - Isela Sotelo, Adriana González, María Jasso, María Barraza, and Aracely Capetillo. Community - Hilda Hernández, Azucena Sánchez. Teachers - Ignacio Pérez and Magdalena Salazar-Bolda, School Staff - Silvia Elizabeth Santos.

I would like to congratulate all of the members of the current Local School Council for all of their work on behalf of the students and families of our school and at the same time congratulations to the newly elected members of the Local School Council.

The parent mentors organized a Zumbathon to raise funds for The Day of the Child. We had an excellent turn-out!

I want to thank the parents who helped us make the Zumbathon a complete success. A big thanks to Mrs. Silvia Trejo, Mrs. Azucena Sanchez and the parent mentors for all of their support.

Enlace organized a Health Fair at our school under the leadership of Ms. Hilda Hernandez, on Saturday, April 21, 2018. During the fair our families received information pertinent to health and good living habits. Twenty organizations in total were present giving information and helping the parents who came to the event.

During the Health Fair, a Zumba class was held to raise parent and community awareness about staying active, exercising and living a healthy lifestyle.

The 8th grade students and teachers participated in Physics Day at Great America. Our students could see and experience the laws of physics that exert on our planet and at the same time had a fun day. Thank you all!

I want to thank all the students, parent mentors, teachers and staff for their support in making the celebration of The Day of the Child a success. Thank you all! Also, I want to thank Mrs. Cruz for having trained our eighth-grade students in making balloon figurines.

I want to send a special thanks to Enlace, our community organization that has always been on our side, supporting all of our students, families and the community.

A special mention for the teachers and children of the folkloric dance and Hip Hop after school dance programs for giving a nice and entertaining presentation.

A sincere thanks to the Castañeda brothers, and to Ms. Joanna Medina. Mr. Rafael Castañeda taught folkloric dance to our students through Enlace and the fruit of his work and the effort with our students materialized with a beautiful presentation.

We extend our thanks to the Hip Hop dance teacher, Mr. Nidel. We are very grateful!

Sincerely,

Jorge Ruiz
